Cancellation Policy

My goal is to provide quality, therapeutic care in a timely manner. In order to do so, I have implemented a cancellation policy. The policy enables me to better utilize available appointments for patients in need of therapeutic care.

Cancellation of an Appointment

I ask for as much notice as possible if you need to cancel an appointment. If it is necessary to cancel your appointment, I require that you call **24 hours** before your scheduled appointment. Failure to show for an appointment or to cancel within 24 hours will result in a charge of the *full fee* of the session.

How to Cancel Your Appointment

To cancel appointments, please call (941) 548- 6071 or Email: Julie@askdocjulie.com

If you do not reach me, you may leave a detailed message on my voicemail.

By Signing below, I acknowledge that I have received this Cancellation Policy and that I understand that if I have any questions regarding this policy, I may contact Julie Groveman, Psy.D.
